## CORE COMPETENCIES

- Expedited Delivery Solutions:** On-demand same-day, next-day, and scheduled transport for mission-critical cargo.
- Final-Mile Logistics:** Optimized final-mile delivery networks, local multi-point distribution, and cross-docking alignment.
- Dedicated Routing:** Seamless commercial and residential contract routing for secure local asset delivery lanes.
- Specialized Medical & Courier Support:** Compliant, high-security handling for sensitive medical supplies, devices, specimens, and legal documentation.
- Secure Transport Architecture:** Complete end-to-end chain of custody supported by live GPS fleet tracking updates.
- Agency Pickup & Drop-Off:** Authorized point-to-point priority delivery management for corporate offices and government facilities.

## PAST PERFORMANCE

- American Hospital Supply:** Coordinated high-priority logistics, specialized transport, and dedicated delivery of medical devices, healthcare products, and supply chain assets.
- Reliable Courier Express Services:** Executed secondary logistics capacity and route distribution management.
- Teledyne Marine:** Coordinated high-priority, secure commercial shipments and marine corporate logistics assets.
- Reliable Courier Service:** Spearheaded contract lane routing and surge delivery dispatching solutions.
- ETM Services Inc:** Delivered regular regional business-to-business freight hauling and cargo logistics.
- Scalable Seasonal Capacity:** Managed high-volume seasonal spikes and fleet strains.
- Logistics Optimization Consulting:** Lane mapping and delivery asset route consulting.

## DIFFERENTIATORS

- Rapid Regional Response:** Deep roots across Florida supply chains allow immediate local asset placement and rapid response profiles.
- Flawless Track Record:** Consistent historical performance indexes reflecting damage-free, prompt, and secure arrivals.
- Transparent Visibility:** Instant mobile cargo tracking accompanied by proactive real-time electronic delivery confirmations.
- 24/7/365 Dynamic Fleet:** Flexible asset deployment structure handling late-night windows, weekends, and critical federal holidays.
